RENOVATION AND ADDITION TO THE MIDDLEBURG VOLUNTEER FIRE DEPARTMENT

1.0 PURPOSE

The Intent of this Invitation for Bid (IFB) is to obtain the services of a qualified general contractor to construct the Renovations and Additions to Middleburg Volunteer Fire Department (MVFD). The project is located at the intersection of Route 50 and West Washington Street in the town of Middleburg, Virginia 20117. The project proposes construction of a two (2) story structure including renovation of an existing apparatus bay area along with the addition of new Administration, Residential and Storage facilities. This project is required to achieve Leadership in Environmental Energy Design (LEED) Silver requirements. The existing apparatus bay area must remain in operation throughout the course of construction.

The electronic security system will be installed by Next Generation Security Concepts, Inc. The successful bidder will be required to contract directly with Next Generation Security Concepts, Inc. Their quote is in Attachment 1 to this IFB and shall be included in the lump sum price.

2.0 COMPETITION INTENDED

It is the County's intent that this IFB permit competition. It shall be the bidder's responsibility to advise the Purchasing Agent in writing if any language, requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this IFB to a single source. Such notification must be received by the Purchasing Agent not later than fifteen (15) days prior to the date set for bids to close.

3.0 SPECIFICATIONS

The work to be performed as a result of this IFB shall be in accordance with the plans and specifications prepared by Lemay Erickson Willcox Architects.

4.0 DISCREPANCIES

Should a bidder find discrepancies in the plans and/or specifications or be in doubt as to the meaning or intent of any part thereof, the bidder shall request clarification from the County in writing, not later than ten (10) working days prior to the bid opening. Any changes to the IFB that result from such a clarification request, will be communicated through a written addendum and posted on the Procurement home page at www.loudoun.gov/procurement. Failure to request such a clarification is a waiver of any claim by the bidder for additional expenses because its interpretation was different than the County's.

5.0 BUSINESS, PROFESSIONAL, AND OCCUPATIONAL LICENSE REQUIREMENT

All firms or individuals located or doing business in Loudoun County are required to be licensed in accordance with the County's "Business, Professional, and Occupational Licensing (BPOL) Tax" Ordinance during the initial term of the Contract or any renewal period.

Wholesale and retail merchants without a business location in Loudoun County are exempt from this requirement. Questions concerning the BPOL Tax should be directed to the Office of Commissioner of Revenue, telephone (703) 777-0260.

6.0 PAYMENT OF TAXES

All Contractors located or owning property in Loudoun County during the initial term of the Contract or any renewal period shall assure that all real and personal property taxes are paid.

The County will verify payment of all real and personal property taxes by the Contractor prior to the award of any Contract or Contract renewal.

7.0 NOTICE OF REQUIRED DISABILITY LEGISLATION COMPLIANCE

Loudoun County government is required to comply with state and federal disability legislation: The Rehabilitation Act of 1973 Section 504, The Americans with Disabilities Act (ADA) for 1990 Title II and The Virginians with Disabilities Act of 1990.

Specifically, Loudoun County, may not, through its Contractual and/or financial arrangements, directly or indirectly avoid compliance with Title II of the Americans with Disabilities Act, Public Law 101-336, which prohibits discrimination by public entities on the basis of disability. Subtitle A protects qualified individuals with disability from discrimination on the basis of disability in the services, programs, or activities of all State and local governments. It extends the prohibition of discrimination in federally assisted programs established by the Rehabilitation Act of 1973 Section 504 to all activities of State and local governments, including those that do not receive Federal financial assistance, and incorporates specific prohibitions of discrimination on the basis of disability in Titles I, III, and V of the Americans with Disabilities Act. The Virginians with Disabilities Act of 1990 follows the Rehabilitation Act of 1973 Section 504.

8.0 ETHICS IN PUBLIC CONTRACTING

The provisions contained in Sections 2.2-4367 through 2.2-4377 of the Virginia Public Procurement Act as set forth in the 1950 Code of Virginia, as amended, shall be applicable to all Contracts solicited or entered into by the County. A copy of these provisions may be obtained from the Purchasing Agent upon request.

The above-stated provisions supplement, but do not supersede, other provisions of law including, but not limited to, the Virginia State and Local Government

Conflict of Interests Act (§ 2.2-3100 et seq.), the Virginia Governmental Frauds Act (§ 18.2-498.1 et seq.) and Articles 2 and 3 of Chapter 10 of Title 18.2. The provisions apply notwithstanding the fact that the conduct described may not constitute a violation of the Virginia State and Local Government Conflict of Interests Act.

9.0 EMPLOYMENT DISCRIMINATION BY CONTRACTORS PROHIBITED

Every Contract of over \$10,000 shall include the following provisions:

- A. During the performance of this Contract, the Contractor agrees as follows:
 - 1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - 2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, shall state that such Contractor is an equal opportunity employer.
 - 3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient to meet this requirement.
- B. The Contractor will include the provisions of the foregoing paragraphs, 1, 2, and 3 in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

10.0 DRUG-FREE WORKPLACE

Every Contract of over \$10,000 shall include the following provisions:

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, “drug-free workplace” means a site for the performance of work done in connection with a specific Contract awarded to a Contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of the Contract.

11.0 FAITH-BASED ORGANIZATIONS

Loudoun County does not discriminate against faith-based organizations.

12.0 EXEMPTION FROM TAXES

Pursuant to Va. Code § 58.1-609.1, the County is exempt from Virginia State Sales or Use Taxes and Federal Excise Tax, therefore the Contractor shall not charge the County for Virginia State Sales or Use Taxes or Federal Excise Tax on the finished goods or products provided under the Contract. However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. Nothing in this section shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

13.0 CONSTRUCTION CONTRACT PERFORMANCE AND PAYMENT BONDS

The following bonds or security shall be delivered to the County and shall become binding on the parties upon the execution of the Contract:

- A A performance bond satisfactory to the County, executed by a surety company authorized to do business in Virginia with a Best’s Key Rating of Level A or better and in a financial size of Class VII or higher, or otherwise secured in a manner satisfactory to the County, for the faithful performance of the Contract in strict conformity with the plans, specifications and conditions of the Contract. The bond shall be in an amount equal to one hundred percent (100%) of the price specified in the Contract; and
- B A payment bond satisfactory to the County, executed by a surety company authorized to do business in Virginia with a Best’s Key Rating of Level A or better and in a financial size of Class VII or higher, or otherwise secured in a manner satisfactory to the County, for the protection of all persons supplying labor and material to the Contractor or its subcontractors for the performance of the work provided for in the Contract. Labor and materials shall include public utility services and reasonable rentals of equipment, but only for the periods when the equipment rented is actually used at the site. The bond shall be in an amount equal to one hundred percent (100%) of the price specified in the Contract.

- C. The amount of the performance and payment bonds shall increase without the necessity of any action by the County, to the same extent the Contract Price increases due to changes.
- D. All sureties providing bonds shall give written notice to the County at least thirty (30) days prior to the expiration or termination of the bond(s).
- E. If at any time, any surety or sureties become insolvent or are determined by the Owner to be unable to adequately secure the interests of the County, the Contractor shall within thirty (30) days after such notice from County to do so, substitute an acceptable bond(s) in such form and sum and signed by such other sureties as may be satisfactory to County. The premium on such bond(s) shall be paid by the Contractor at no additional cost to the County provided reasonable justification can be provided by the County for its determination.
- F. A prime Contractor shall not be precluded from requiring each subcontractor to furnish a payment bond with surety thereon in an amount equal to one hundred percent (100%) of the Contract with such subcontractor.

14.0 CONSTRUCTION CONTRACT BOND FORMS AND COPIES; ALTERNATIVE FORMS

In lieu of a payment or performance bond, the Contractor may furnish a certified check or cash escrow in the face amount required for the bond. If approved by the County Attorney, a Contractor may furnish a personal bond, property bond, or bank or savings and loan association's letter of credit on certain designated funds in the face amount required for the payment or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords the same protection to the County equivalent to the corporate surety bond.

15.0 CONSTRUCTION CONTRACT RETAINAGES

The Contractor shall be paid ninety-five percent (95%) of the earned sum when payment is due, with not more than five percent (5%) being retained to assure faithful performance of the Contract. All amounts withheld may be included in the final payment. Any subcontract which provides for similar progress payments shall be subject to the same limitations.

actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. By submitting a bid, the bidder is certifying that bidder is not currently debarred by the County, or in a procurement involving federal funds, by the Federal Government. A copy of the County's debarment procedure in accordance with Section 2.2-4321 of the Code of Virginia is available upon request.
